SP Spelling Bee Winners

Rebecca Daugherty is the winner of the St. Paul School Spelling Bee. Elise Doherty and Paige Spielbusch are the runner ups. All three winners will compete in the Neosho County Spelling Bee on Monday, February 8th at 1pm in Chanute at St. Patrick's School. Best of luck to each speller!

NHS is planning a school-wide Pennies for Patients campaign from

February 15 - February 25th. The Leukemia & Lymphoma Society's mission is to cure Leukemia, lymphoma, Hodgkin's disease and myeloma and improve the quality of life of patients and their families. Every three minutes, another child or adult will be diagnosed with a blood cancer. Mark Harper, husband of our own faculty member, Diane Harper, has been diagnosed with Myelofibrosis. Please consider signing up to see if you might be a match for a bone marrow donor at www.bethematch.org. Boxes to collect coins will be set up in each classroom, so check those couch cushions for loose change! The top fundraising classroom has a chance to win a pizza party. During the campaign, any students interested will be able to pay \$1/day to wear a hat of their choice at school. NHS will also be collecting at the home HS basketball game on Tuesday evening, Feb. 16. Our total school goal is \$500, please help save lives of blood cancer patients!

Tiny Indians to Dance

The Tiny Indian elementary dancers will perform between the varsity high school games on Feb. 16th. Practices will be Feb. 9th and 11th from 4 p.m. to 5 p.m. in the MPR for those students that signed up.

Please do not park in the bus loading zone on the north side of the multi-purpose room at any time. Thank you!

Handbook Highlight: MEDICATION - Over the counter medicine that needs to be administered at school must have the proper paperwork and signatures on file in the office. All medications must be in their original bottles. Prescription medication must be in the pharmacy bottle with the proper paper work on file in the office. Students may not keep medication, prescription or over the counter, on their person. Expired medications will be disposed of by the school nurse.
