CLASS POEM

Ours the privilege and honor
Ours the too-grim duty
To restore a war-racked world
To peace and love and beauty.

Ours is the task so mighty,
This world is ours for the making:
With courage and faith and hope
We face this undertaking.

For we are the hope of the future,
We, who are the youth of today
Passing from school life into life's school
We humbly pause to pray—

"Give us the strength for the job to be done
The courage to carry on
Through the troublesome days that lie ahead
Before the peace is won."
